SVT40 Lavalier Microphone

SVT40 Miniature Lavalier Microphone

The SVT40 is a very small Electret Condensor Microphone and extremely lightweight. Fitted with a miniature microphone capsule, it looks attractive, totally unobtrusive and is in most cases almost unnoticeable. It is excellent for stage presentations, theatre and broadcast studio operations.

It comes in the waterproof VTO box with 5 accessories:

- Clip
- Windscreen with Acoustic Tube
- separate Acoustic Tube
- Tie Tac Clip
- Dracula Mount
- Rubber Body Mount
