SWT-VT50 Lavalier Microphone

VT500 Miniature Lavalier Microphone

The SWT-VT50 has extremely smooth omni-directional pattern control over a wide frequency range. It is designed for performing talent in broadcast, theatre, film, public address and sound reinforcement among other applications. Speech clarity is enhanced by a slight frequency emphasis giving excellent voice reproduction while eliminating placement constraints. Due to the unique design of the SWT-VT50, noise transssion from handling and clothing movement is kept at a minimum. An integral filter provides efficient RF suppression. The cable is smooth, rugged, sweat proof and has excellent isolation from rubbing noise.

Available with the waterproof VTO Box with 4 Standard Accessories:
Alligator Clip, Professional Windscreen, Dracula Mount, Tie Tac Clip

or as Budget Version with a silver metal box and 3 Standard Accessories:
Alligator Clip, Standard Windscreen, Tie Tac Clip
